**Pittsburgh Urban Christian  
School**  
in cooperation with  
**Mad Science of Pittsburgh**  
Presents:  
The "Animals, Energy, & Robots"  
After School Program

### Program Description:

Explore the energy of motion and life under the ocean's surface in this fast-paced program of science fun! Learn about robots, green energy sources, Newton's three laws of motion and much more! Children build their own Robot Hand and explore renewable and non-renewable resources for power generation. They will explore the animal kingdom and learn about the life cycles of their favorite creatures.

### About Mad Science®
